

ActivPanel® Nickel™

65" 4K, 75" 4K, 86" 4K

The value-focused ActivPanel Nickel is designed to provide teachers with everything they need straight out of the box. Internet-ready and packed with teaching tools, the ActivPanel Nickel is an all-in-one, reliable solution for schools looking to replace outdated whiteboard systems with an easy-to-use and highly capable interactive display.

The All-In-One, Value-Focused Classroom Solution

A Unified Menu for Seamless Teaching Experiences

The ActivPanel Nickel features a new Unified Menu that places all the most commonly used tools right at teachers' fingertips. It is always accessible and allows teachers to move seamlessly between content and resources without disrupting the flow of lessons. The Locker provides one place to go for all of a teacher's favorite apps, tools, and files, delivering Promethean's most intuitive navigation experience to date.

A Writing Experience Without Limitations

Promethean's exclusive Vellum™ writing technology delivers the industry's most natural writing experience. Free from the disruptions of lag and false strokes, Vellum technology creates a smooth writing performance enabling teachers and students to interact instinctively – like a dry erase whiteboard, only better.

Advanced Educational Tools for New Ways to Engage

The ActivPanel Nickel includes Classroom Essential apps and a variety of teaching tools – all available at the touch of a button. Use the infinite canvas on the highly intuitive Whiteboard app to instantly supplement lessons. Draw, highlight, and annotate over any content from any source, and add excitement to any lesson or activity with the customizable Spinner and Timer apps.

Tested and Built for IT Support and Security

The ActivPanel Nickel has been built from the ground up to integrate into any technology environment reliably, securely, and with a teacher-centric design encourages user adoption. The onboard Android™ 8 operating system delivers a new level of speed, security, and reliability, while enhanced over-the-air updates reduce the time and effort needed to make software and firmware updates. All included software, apps, and platform services are purposefully designed for ongoing enhancements and continuous innovation, ensuring that today's investment will pay dividends well into the future.

ActivPanel Nickel

Robust Interactivity

Teachers and students can collaborate with up to 15 simultaneous touch points. Palm rejection technology allows users to rest a hand naturally on the board and write confidently without making unwanted marks.

New Teaching Untethered

The new MyPromethean app lets teachers login to the ActivPanel and control a variety of Promethean apps from their mobile device. Controlled, multi-device mirroring lets teachers and students collaborate from anywhere in the classroom.

Powerful Audio

Students who hear better, learn better. The ActivPanel Nickel's dual, front-facing speakers provide clear and rich audio.

Wi-Fi Connectivity

The included Wi-Fi Module provides the flexibility required for diverse networking needs and offers more classroom mobility.

All-in-One and Connected

The ActivPanel Nickel features the speed, security, and reliability of the Android 8 operating system onboard, with 2 GB of RAM and 16 GB of storage.

Easy Device Connectivity

Teachers can easily access the front-facing ports for HDMI and USB connectivity.

Powerful Lesson Delivery Software Included

Deliver interactive, multimedia lessons offline or online using your choice of Promethean's award-winning educational software solutions. Both ClassFlow® and ActivInspire® software are Promethean created and supported, subscription-free, and included with the purchase of the ActivPanel Nickel.

New Promethean Chromebox

The Promethean Chromebox is the perfect solution for extending an existing Chrome OS™ ecosystem to the ActivPanel Nickel, providing certified and seamless access to your preferred apps from the Google Play Store. View and launch Chromebox apps directly from the Nickel's Locker app in the Unified Menu with one-click access and no need for source switching.

Select from Versatile Mounting

Create the best solution for the classroom with the ActivPanel Stands, including a fixed wall mount, height-adjustable wall mount, height-adjustable mobile stand, and fixed-height mobile stand.

Flexible Computing Options

Promethean offers Chrome OS, Android™, and Windows® computing options so schools can choose the operating system that works best for their IT ecosystem.
