

ActivPanel® Titanium™

70" 4K, 75" 4K, 86" 4K

Purpose-built for the K-12 classroom, the ActivPanel Titanium provides the most seamless, integrated, and interactive learning experience available. Packed with engaging and interactive tools, the ActivPanel Titanium helps teachers and students make the most out of every instructional moment in the classroom.

The Purpose-Built, Powerful, Yet Easy-to-Use Classroom Solution

A Unified Menu for Seamless Teaching Experiences

The ActivPanel Titanium's new Unified Menu places all of the most commonly used tools right at teachers' fingertips. It is always accessible and allows teachers to move seamlessly between content and resources without disrupting the flow of lessons. The Locker provides teacher's one place to go for all their favorite apps, tools, and files, delivering Promethean's most intuitive navigation experience to date.

A Writing Experience Without Limitations

Promethean's exclusive Vellum™ writing technology delivers the industry's most natural writing experience. Free from the disruptions of lag and false strokes, Vellum technology creates a smooth writing performance enabling teachers and students to interact instinctively – like a dry erase whiteboard, only better. In addition, the ActivPanel Titanium automatically detects differences between pen, touch, and palm erase allowing teachers to teach fluidly.

Tested and Built for IT Support and Security

The ActivPanel Titanium has been built from the ground up to integrate into any technology environment reliably, securely, and with a teacher-centric design that encourages user adoption. The onboard Android™ 8 operating system delivers a new level of speed, security, and reliability, while enhanced over-the-air updates reduce the time and effort needed to make software and firmware updates. All included software, apps, and platform services are purposefully designed for ongoing enhancements and continuous innovation, ensuring that today's investment will pay dividends well into the future.

Advanced Educational Tools for New Ways to Engage

The ActivPanel Titanium includes Classroom Essential apps and a variety of teaching tools – all available at the touch of a button. Use the infinite canvas on the highly intuitive Whiteboard app to instantly supplement lessons. Draw, highlight, and annotate over any content from any source, and add excitement to any lesson or activity with the customizable Spinner and Timer apps.

ActivPanel Titanium™

Enhanced Interactivity

Teachers and students can collaborate with up to 20 simultaneous touch points and simultaneous pen, touch, and palm erase. Palm rejection technology allows users to rest a hand naturally on the board and write confidently without making unwanted marks.

New Teaching Untethered

The new MyPromethean app lets teachers login to the ActivPanel and control a variety of Promethean apps from their mobile device. Controlled, multi-device mirroring lets teachers and students collaborate from anywhere in the classroom.

New Dual Proximity Sensors

The ActivPanel Titanium automatically warms up in the background when someone enters the room saving time. Teachers can now quickly get started with their lessons with the tap of the finger anywhere on the panel.

Wi-Fi® and Bluetooth® for Enhanced Connectivity

Provides the flexibility required for diverse networking needs and offers more classroom mobility. Bluetooth allows for easy connection to accessories and STEAM-based hardware, such as robots and lab sensors.

All-in-One and Connected

The ActivPanel Titanium features the speed, security, and reliability of the Android 8 operating system onboard, with 4 GB of RAM, 64 GB of storage, and Gigabit LAN integration.

Room-Filling Sound

Students who hear better, learn better. The ActivPanel Titanium's bass enhanced, front-facing speakers fill the classroom with full range audio and superior fidelity.

New Teacher-Friendly Center Console

Designed with the teacher in mind, the ActivPanel Titanium features an angled control console with large colored buttons. Teachers no longer have to disrupt their class by searching for buttons and now have quick and easy access to the Unified Menu, volume controls, source selection, and more.

New Promethean Chromebox

The Promethean Chromebox is the perfect solution for extending an existing Chrome OS™ ecosystem to the ActivPanel Titanium, providing certified and seamless access to your preferred apps from the Google Play Store. View and launch Chromebox apps directly from the Titanium's Locker app in the Unified Menu with one-click access and no need for source switching.

Flexible Computing Options

Promethean offers Chrome, Android™, and Windows® computing options so schools can choose the operating system that's works best for their IT ecosystem.

Powerful Lesson Delivery Software Included
